STONEHAM THERAPY

SERVICES LTD

ASSOCIATE CASE MANAGER AND
OCCUPATIONAL THERAPIST AT STONEHAM
THERAPY

Joining the Stoneham Therapy team in 2022 Claire is an experienced and skilled case manager and occupational therapist.

Qualifying in 2008 Claire specialises in Neurosurgery including critical care patients, stroke, low arousal level patients, elective and trauma spinal injuries, neuro oncology, acquired and traumatic brain injuries.

Claire is a specialist in tonal management, postural management, patients in disorders of consciousness (SMART accredited for NHS role), cognitive rehabilitation, capacity and behavioral management.

She is the lead Occupational Therapist for Neurosurgery at Leeds Teaching Hospital Trust, she leads in the development of the neurosurgery pathway and supervises and develops junior OT staff.

Claire is a proactive and effective Case Manager highly experienced in complex neuro rehabilitation.
