### **ASSOCIATE CASE MANAGER AND OCCUPATIONAL THERAPIST**

---

Lauren joined Stoneham Therapy Services in 2022 as an experienced and skilled acute, rehabilitation and community occupational therapist specialising in adults and older adults.

Lauren qualified as an occupational therapist in 2014 and has worked within occupational therapy for over fourteen years. Her passion and knowledge for the sector has enabled her to gain experience in a range of clinical specialties.

In 2016 Lauren became a community occupational therapist specialising in long-term, complex health conditions and working collaboratively with service users, their families and carers as well as a range of other agencies.
